Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we not express such an opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Oil Change International, Inc. as of June 30, 2019 and the changes in its net assets and its functional expenses and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Note A - Nature of Organization

Oil Change International, Inc. (OCI) is a non-profit corporation established in 2005 to network, encourage, and compliment a diversity of strategies and tactics around the oil industry. OCI is a research and advocacy organization that exists to force progress in the energy industry towards an environmentally and socially sustainable energy future. OCI achieves this by being a consistent and credible source of information on the industry, using knowledge of the industry to craft strategic, incisive campaigns, and by working with people around the world who are committed to shifting power. OCI's mission is to expose the true price of fossil fuels and to facilitate the coming transition to a clean energy economy.

Note B - Summary of Accounting Policies

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

1. Method of Accounting

OCI's financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. Consequently, revenues are recognized when earned and expenses are recognized when incurred.

2. Financial Statement Presentation

OCI reports information regarding its financial position and activities according to two classes of net assets:

Net Assets Without Donor Restrictions represent resources that are not subject to donor-imposed restrictions and are available for operations at management's discretion.

Net Assets With Donor Restrictions represent resources restricted by the donor as to purpose or by the passage of time.

(See Independent Auditor's Report)

Note B - Summary of Accounting Policies, continued

3. Revenue

OCI receives grants and gifts from various sources, foundations, charitable organizations, and individuals. All contributions are considered to be without donor restrictions unless specifically restricted by the donor. Amounts received that are restricted by the donor for specific purposes are reported as support with donor restrictions that increases that net asset class. When the restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions assets and reported in the statement of activities as net assets released from restrictions.

4. <u>Contributions Receivable</u>

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. At June 30, 2019 and 2018, contributions receivable totaled \$461,870 and \$676,059, respectively. Management believes that amounts will be received when due, therefore no allowance for uncollectible contributions receivable has been provided. Contributions receivable that relate to unrestricted contributions are part of net assets with donor restrictions until they are received. Contributions receivable that relate to otherwise net assets with donor restrictions are part of net assets with donor restrictions until the original restriction is satisfied.

5. Property and equipment

Property and equipment is recorded at cost at the date of acquisition. Donations of property and equipment are recorded as support at their estimated fair value at the date of the gift. The assets are depreciated on a straight-line basis over their estimated useful lives.

6. Income Taxes

OCI is exempt from income taxes on all activities directly related to its exempt purpose under the Internal Revenue Service Code Section 501(c)(3). OCI is liable for income taxes on unrelated business income. There was no taxable net unrelated business income for the years ended June 30, 2019 or 2018. Accordingly, no provision for income taxes has been made in these financial statements.

The Organization evaluated its tax positions and determined it has no uncertain tax positions as of June 30, 2019. The Organization's 2019 through 2018 tax years are open for examination by federal taxing authorities.

(See Independent Auditor's Report)

Note B - Summary of Accounting Policies, continued

7. Expense Allocation

Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of periodic time and expense studies. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of OCI.

8. <u>Cash and cash equivalents</u>

For purposes of the statement of cash flows, OCI considers all highly liquid instruments purchased with a maturity of three months or less to be cash and cash equivalents.

9. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

10. Adoption of New Accounting Standard

The Organization adopted the financial statement presentation and disclosure standards contained in the Financial Accounting Standards Board Accounting Standards Update 2016-14, *Presentation of Financial Statements for Not-for-Profit Entities*, modifying ASC 958. The change has been applied as of June 30, 2019 with no effect on beginning net assets.

Note C – Date of Management's Review

In preparing the financial statements, OCI has evaluated events and transactions for potential recognition or disclosure through March 12, 2020 the date that the financial statements were available to be issued.

(See Independent Auditor's Report)

Note D-Liquidity and Availability of Financial Assets

OCI maintains a liquid cash balance in checking and savings accounts in an amount necessary to meet its anticipated operating expenditures for the first quarter of the next fiscal year.

The Organization's financial assets available for general expenditures through June 30, 2019 are as follows:

Financial assets:
